Bodhisukha School

01-05-20

Dr. Nando Batha
Chairman
Bodhisukha School

When we decided to establish Bodhisukha School in 2001, only one perspective was there in our mind. We wanted to initiate such an institution which can fulfill the meaning of real educational system.

We believe that education means overall development of all students - mentally and physically. That is why from the beginning of Bodhisukha School, we provide all students with such facilities as – karate coaching, Standard outdoor games – football, cricket, badminton, basketball, volleyball etc. apart from quality academic education.

BodhisukhaSchool is honoured by affiliating to CBSE Board (New Delhi). We also realize that career counseling is very much important for every student from class viii onwards, so that they can nourish their dreams to be an established person in life. Keeping this ideal in mind, we already have started career counseling by qualified career counselors in School.

Bodhisukha School offers the following facilities :

- Pollution free, noise free big school campus.
- Pious atmosphere which is fit for education.
- All sorts of co-curricular activities.
- Scopes for students to prove their hidden talents.

Introduction

Bodhisukha School is a private English medium Co-educational Institute, established, owned and managed by Russa Road Young Buddhist Students Literacy Mission, Kolkata. It is affiliated to the Central Board of Secondary Education, Delhi. It caters to boys and girls of all castes, creed and religion.

Background of the School: -

Russa Road Young Buddhist Students Literacy Mission was established in 1995 with the main purpose to promote and encourage the advancement of Literacy, Cultural, Moral, Scientific and Technical educations. It was duly registered under the Society Act. XXVI of 1961 of West Bengal on 31st May 1995, and also registered under the Foreign Contribution (Regulation) Act of Govt. of India on 30th June 2000.

As an implementation of it's main purposes, the Mission has established the 'Bodhisukha School'. We are happy to announce that we already got CBSE affiliation in the academic session 2016–17.

Aims and Objects: -

The aim of any school is to provide the best possible education to its students. It is, therefore, the main of Bodhisukha School. Our primary object is to develop in the student qualities of integrity, honesty, trust, tolerance, and compassion, to promote a spirit of enquiry to foster a scientific temper within the bonds of humanism, to help the student to become a meaning full part of his environment and to see that courage and industry have they are due reward. The pursuits of excellence encourage at Bodhisukha School rests on the positive belief that every man has it in him to produced first class work.

Towards this end the school endeavors to provide a large, qualified, experienced and dedicated staff with a wide range of skills and interest, a varied and wide choice of activities, academic, aesthetic and athletic – and environment enriched with the excitement of discovery, challenge and competitiveness and discipline based on the belief that responsibility comes before freedom.

The main objects for which the school was established are: -

- To increase literacy and education of the community.
- To upgrade the cultural and moral status of the community.
- To grow and develop the children both physically and mentally.

- To bring up the children in such a way that would lead them to happiness and self-reliance.
- To emerge the children with the country's mainstream development trend.

School Crest and Motto

The Crest

Our school crest has three rings and open-book with a flaming torch with our school's name inscribed above the torch. The four stars in the second ring and one star in the first ring symbolize our unity and diversity despite the differences in languages, cultures, political outlook and religious belief. We are all enclosed within the circles as one nation. The circle also includes the year of establishment of this prestigious institution. The open-book describes that our school is open to all regardless of the parameters that divide human beings. BodhisukhaSchool believes that education should not be shut and the process must continue lifelong. The flaming torch is like a beacon in darkness throwing light everywhere and to everyone. The spread of education and dispelling ignorance, symbolized by the torch is the essence and the aim of the school.

School Motto

Our school motto is "What we think, we become". This simple message is very meaningful. The students of the school are trained to think in the right path and move ahead to become an asset for the nation. The school strives not just to teach the students to achieve success at school level but endeavors to make the children successful citizen.

About the School

It has been 18 years since the idea of Bodhisukha School was mooted and made a reality. From those pioneering days the school has developed much and has evolved into an academic institution to the best.

The school gained affiliation from the Central Board of Secondary Education, New Delhi, in 2016.

Over the years the school has progressed into an avant-grade one, with excellent teaching methods and latest equipments and the onward thrust has found expression in the trail blazing academic achievements of the students.

Bodhisukha School is a strong institution staffed by highly qualified teachers. Our fully equipped laboratories are second to none with the most modern equipments and facilities. The School Library too boasts of an impressive collection of books, the pride of which is the reference section.

The School has a modern campus designed to provide a learning and the living environment that would meet the academic, developmental and social needs of students. The school is ambitious and has a grandiose plan for the future. The recently built modern multi-purpose hall is another step towards the infrastructure development plans that the school has taken.

Science Labs

Well equipped and growing/Modern and up-to-date learning facilities. Has enough for all lab-based subjects viz. Physics, Chemistry, Biology according to the prescription of the Board. Has a major collection of science and other project-works.

Computer Labs

With latest computer in a Local Area Network makes it an ideal place for the students to nurture their Information Technology skills with full time faculties to assist the students and curriculum designed aptly for the students.

Library

The Spacious School library has extensive collection of text and reference books. The library is also equipped with a wide variety of magazines, periodicals and newspapers with reading room facilities. The School Library is a nerve center for learning, and Library is open to all students of the School during School hours. All classes are provided with one library period per week. Students can borrow books for one week from the Library.

Transportation

School provides own transport facilities. All matters related to the conveyance should be referred to the school office and our transport manager Mr. Koushik Mukherjee (9830203979).

Medium of Instruction

The medium of instruction is English out and out as per rules of CBSE Examination, New Delhi. The School also has the provision of teaching of Hindi and Bengali as second languages.

Classes

The classes are from Play Group to XII. The school has been recently upgraded to Senior Secondary level and has all the three streams Science, Commerce and Humanities.

Smart Class

To understand anything, visual effect is very important. So, we have introduced chapter wise smart classes for all subjects.

Educational Excursion

‘Motivation creates interest’ - That is the reason every year we take the students to Educational excursion on merit basis.

Sometimes students are also taken to nearby places like museums, movies and magic shows to develop their thinking outlook.

Annual Picnic

Every year in the month of December students are taken for picnic to interesting picnic spots where they learn the lesson of sharing and friendship.

Health Camp

‘Health is Wealth’ – Therefore, every year we organize free Health check-up camp in collaboration with Reputed Health Organizations for our students.

Annual Function

Every year in the month of April the school celebrates its foundation day through prize giving ceremony and cultural concert in Auditoriums. The annual fest usually continues for two days.

E-diary

From the session 2017-18 the school has introduced E-diary in which parents will get all types of information regarding activities held in school as well as daily assignments, students attendance, Routine & Syllabus etc. Parents and guardians can also communicate with the teachers of the school through this E-diary. The date and time of Parents-teachers meeting will be written in the E-diary (Bodhisukha School App) occasionally. So parents are requested to see the E-diary regularly.

Dispensary

The school has its own well equipped dispensary where qualified and dedicated doctors and nurses look after the wellness of the school students. Medical checkups are given to students every month.

Health & Fitness

According to CBSE curriculum all the students are given fitness classes everyday under the strict guidance of proficient teachers.

Other Facilities of School

- 1) Big play ground
- 2) Children Park
- 3) Airy and spacious class rooms
- 4) Free karate and Yoga classes
- 5) Lower class-students are taught in play way method
- 6) Work shop for work-education (Practical training)
- 7) Quiz and Debate classes are conducted
- 8) Cricket, Football and other outdoor games are coached
- 9) Dancing and Singing Classes.
- 10) Participation in inter-school competition.

Admission Procedure

- Play Group:** The age requirement for Play Group class is 2.5+ on 31st March.

- 3) Original copy of Progress Report from the previous School.
- 4) Admit Card of Class X (for admission in class XI).
- 5) Vaccination Record if any
- 6) Three copies of recent passport size photographs

Curriculum

The designing of a school curriculum requires a vision. Detailed evaluation and improvements are made year after year in the curriculum. This has made it imperative for us to devise the most effective method for the implementation of the requirements of the curriculum. In an academic year, the school has to have 210 working days out of which 180 days are devoted to intensive teaching and the additional 30 days are set aside for examinations and co-curricular activities.

Pre-Primary: -

The pre-primary wing of the school consists of Play Group, LKG and UKG and caters to the needs and demands of early childhood. Bearing in mind that the foundation of a child's personality is laid and two third of his intellect formed at this age, we have created an environment and a system of teaching which is entirely child friendly. Formal learning of the three Rs is introduced in Play Group & LKG. It finds a more prominent place in the UKG curriculum, which includes recognition, reading and writing of English and Hindi alphabets and small words and also basic arithmetical concepts.

Primary Curriculum: -

The syllabus become more broad based at this level and gradually the young learner is exposed to a wide range of subjects and study materials which are suitably graded. Apart from Mathematics, English, Bengali and Hindi, subjects like General Science and Social Science are introduced. Computer science is introduced in class I. As early as class I students learn to work on computers in the multimedia lab which has been specially equipped to meet the needs of the young learners.

Classes VI to VIII: -

Students of class VI to VIII study English, Hindi, Bengali, Mathematics, Computer Science, Science (covering Physics, Chemistry, and Biology) and Social Science (covering History, Civics, and Geography). Co-curricular activities include Physical and Health education, Work experience and Art education.

Classes IX to X: -

Students of class IX to X study English, Hindi/Bengali, Mathematics, Science (covering Physics, Chemistry, and Biology) and Social Science (covering History, Civics, Geography and Economics). Co-curricular activities include Physical and Health education, Work experience and Art education.

Classes XI to XII: -

Students of class XI to XII may take Science, Commerce or Humanities stream each of which covers 5/6 subjects.

Science stream: Any 5 or 6 subjects from the following group are offered - English Core, Hindi Core, Bengali, Mathematics, Physics, Chemistry, Biology/Computer Science, Physical Education, and Commercial Art.

Commerce stream: Any 5 or 6 subjects from the following group are offered - English Core, Hindi Core, Bengali, Mathematics, Business Studies, Economics, Accountancy, Information Practice, Physical Education and Commercial Art.

Humanities stream: Any 5 or 6 subjects from the following group are offered - English Core, Hindi Core, Bengali, History, Geography, Sociology, Philosophy, Political Science, Physical Education, and Commercial Art.
